

Holley-Navarre Water System “Putts Fore Paws”

Navarre, FL, June 22, 2021 – Two teams of Holley-Navarre Water System directors and employees participated in the Puttin’ Fore Paws Golf Tournament hosted by A-Hope and the Santa Rosa County Sheriff’s Office last Friday. The tournament raised funds in support of A-Hope’s future affordable spay/neuter clinic in Milton, Florida. The event took place at The Club at Hidden Creek Golf Course and despite the rainy conditions, supporters came out and made the tournament a success. Pictured above are Don Linnell, Mike Kennedy, Chris Legg, JR Ratliff, Clinton Wells, Bill Thiel, Joe Campbell, and Phil Phillips. HNWS was proud to be involved in a fun community event while supporting an important worthwhile cause.

A-Hope's mission is to focus on the health of our community animals, providing low cost spay and neuter options and to educate the public. For more information on their organization, visit their website at www.ahope4src.com.
