**Holley-Navarre Water System, Inc. Launches New Internship Program**

Navarre, FL, May 10, 2021 – Holley-Navarre Water System, Inc. is proud to announce the official start of their new Internship Program for summer 2021. The program will offer area youth an opportunity to gain firsthand experience in various aspects of company operations while encouraging professional development.

In early 2021, staff began to establish the program structure and provided notice to local schools, colleges and universities. Five ambitious candidates were selected and paired with industry related staff mentors. HNWS is hoping the interns will provide fresh ideas while utilizing their individual talents and educational backgrounds. The inaugural internship participants are local high school student Alex Garcia, local volunteer Noah Bucholtz, and college students Dylan Nicholas, Noah Cruz and Joseph Staudt.

HNWS staff and the Board of Directors hosted a commencement event to welcome and introduce the new interns on May 10<sup>th</sup>, 2021.
