Holley-Navarre Water System Appoints Two New Board Members

Navarre, FL, June 04, 2021 – Holley-Navarre Water System, Inc. is pleased to announce the appointment of Don Linnell and Jo Ann Cave to the Board of Directors.

The Board conducted a search for interested, qualified candidates with the time, effort, and commitment to both the water system and the community. The process concluded once candidates were properly vetted and appointed to their positions in public session on June 1st, 2021.

Mr. Linnell, an Air Force veteran, has an extensive background in the aerospace and defense industries with a focus on business development, software/systems engineering and program management. He is currently an independent business development consultant living in Navarre since 2016. Mr. Linnell also brings prior experience as a city councilman and several years of volunteer work with the Boy Scouts of America.

Ms. Cave has lived in Navarre for the last 20 years and brings several years of experience with the Student Advisory Council, currently serving on the Navarre High School SAC committee. As an active member of the community, Ms. Cave is a Navarre area realtor and a personal trainer at the YMCA, where she previously served on their advisory board. Ms. Cave’s educational background includes a chemical engineering degree, an MBA, and several years of experience working in the paper producing industry.

The appointed Directors will serve throughout the year until the January 2022 annual election.

Holley-Navarre Water System, Inc. is a member-owned, not-for-profit corporation that provides water and wastewater treatment services to members in the Holley-Navarre area, and includes Hidden Creek Golf Club and Municipal Engineering Services, Inc.
